SUMMARY

Brand strategy leader with 20 years of experience building brands that drive measurable business results across recurring-revenue, B2B2C, and consumer businesses. Built the marketing function of a revenue management company from zero to \$3.7M in annual recurring revenue, stewarding a portfolio of four brands across every customer touchpoint. Created a proprietary brand strategy framework used by 100+ companies to define value propositions, positioning, and go-to-market strategy. Early leader in AI-era brand discoverability, building content systems that shape how brands surface in AI tools and searches.

EXPERIENCE

Head of Marketing, Freewyld & Freewyld Foundry

Remote / Encinitas, CA | 2024 - Present. Boutique hospitality brand and B2B revenue management consultancy (recurring-revenue model) for short-term-rental operators.

- Steward brand strategy and consistency for a portfolio of four brands (hospitality brand, B2B consultancy, and two founder personal brands), each with documented voice systems, brand guidelines, and messaging architecture
- Built the go-to-market strategy and marketing function from zero as part of the founding team; grew to 75+ clients and \$3.7M annual recurring revenue, with \$190M+ in client revenue under management across 4,000+ listings
- Defined customer and partner value propositions and activated them across the full customer journey, from acquisition through onboarding, ongoing service, and renewal
- Pioneered AI-era brand discoverability: structured data across 25+ page types, deliberate AI-crawler policy, and a documented optimization playbook so the brand surfaces when buyers research via ChatGPT, Claude, and Perplexity
- Grew brand awareness measurably in 2026: site users up 610 percent year over year, search impressions up 4,197 percent, organic social reach up 25x, podcast downloads up 85 percent
- Built a customer storytelling engine: 20+ published client case studies with data provenance and per-client approval workflow, feeding sales enablement and brand credibility
- Run the founders' earned media program: guest placements across industry podcasts and shows, conference speaking slots (VRMA 2025 and 2026), and consumer press for the hospitality brand (Staycation TV, Visit California)
- Direct creative across web, video, social, and email; rebuilt both company websites end to end with consistent brand identity and conversion-focused architecture
- Expanded partner marketing (B2B2C): grew the Booking.com partnership into an extended contract with sponsorship programming, and co-created an industry event drawing 80-90 attendees with a secured co-sponsor
- Hired and lead the marketing team (video editor and marketing operations); member of the company leadership team as the organization scaled to 20 people

CEO & Brand Strategist, Kaye & Co, LLC

Remote | 2013 - 2024

- Created a proprietary, psychology-driven brand strategy process used with 100+ clients across business-to-business (B2B), direct-to-consumer (DTC), eCommerce, and personal brands: positioning, value propositions, messaging, and brand identity

- Generated \$2M+ in revenue and 100,000+ leads through inbound marketing and B2B sales; sold \$1M+ in online brand strategy courses
- Built and managed a distributed creative team for 11 years: core team of 3 with project-based expansion to 15+ creative professionals and agency partners, delivering on time and within budget
- Produced a brand archetype quiz taken 250,000+ times, featured in university classrooms and business conferences
- Built omni-channel marketing strategies spanning paid social, search engine optimization (SEO), sales funnels, partnerships, and public relations (PR)
- Grew an 18,000-subscriber YouTube audience and hosted a weekly podcast on branding and psychology
